

Feedback presentation group 5

Dear group 5,

This is the feedback that you received from your peers on your presentation.

talk with a little more enthusiasm and try to stand more active

The presentation shows the effort put into the project. All presenters felt comfortable describing their slides

Nice presentation, well done!

To make it more structured. I add recommendations and put more focus on the outcomes of the project

I have nothing to say, I think they did awesome

Good job

Well-done! Recommendation and limitation slide for future improvement!

Very good presentation, I can't seem to find negatives I think it was well done

This was a well prepared and interesting presentation. Could use focus on content instead of title(font-size)

Looked great guys!

nothing else this was my feedback
